

INSTRUCTOR REGISTRY

The City of Prince Albert Community Services Department NEED qualified instructors to teach recreation and leisure programs. If you are qualified and interested in teaching, enter your name into the INSTRUCTOR REGISTRY. The registry is maintained by the Community Services Department and is designed to provide the most suitable instructor for every program.

We invite you to complete this form to register your name and instructional area. If an appropriate position can be found, you will be contacted by our Recreation Programmer. Upon placing your services, a contract and information package will be sent to you.
