SNOW ROUTE PARKING BANS

Priority 1 snow routes are subject to parking bans in the winter when there is a major snow event.

Vehicles **must be** removed from roadways marked with “Snow Route when Declared” signs immediately when a ban has been declared. Vehicle owners are responsible for knowing when a ban is in effect.

TEMPORARY PARKING BANS

All other streets in Prince Albert (priority 2,3,4) are signed at least 12 hours before crews arrive to clear snow. All parked vehicles must be removed 12 hours after the signs have been put up.

FINES AND TOWING

If you suspect your vehicle has been towed, please call (306) 953-4330 to inquire. When towed, Bylaw Enforcement will contact vehicle owners by registered mail to notify them.
