

Building Our Tax Base Infill Redevelopment Tax Incentive Program

Program Criteria:

- For new infill residential projects developed within existing neighbourhoods, which includes the demolition of an existing residential building.
- Projects constructed in 2018 or 2019 qualify for a 60 month partial tax abatement on municipal and education taxes, which will be applied following completion of a final inspection by the City's Building Division.
- The partial abatement will equal the difference between the pre-development taxes and the post-development taxes.
- Qualified applicants are required to enter into an agreement.
- The City Manager will approve qualified applications in principle with final approval required from City Council.
- This program is effective May 7, 2018 and is not retroactive.
- Projects approved under this program are not eligible for any other Building Our Tax Base Program.
