

Waste Collection Information

- ⇒ Refer to the attached schedule for your collection days
- ⇒ Containers should be placed out **by 7:30 a.m.** for collection
- ⇒ Collection is made between 7:30 a.m. and 5:00 p.m. on scheduled days
- ⇒ Place containers out for pick-up **ONLY** when full
- ⇒ Return the rollout containers to your property from the lane or curb by 6:00 pm the day after they are emptied
- ⇒ **Please do not dispose of yard waste in the recycle containers**

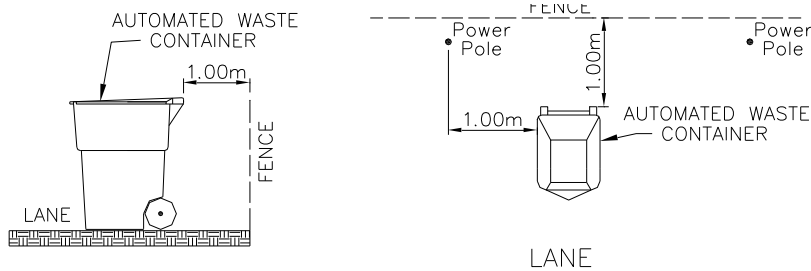

Container Placement FRONT STREET

Where and how you place your container is key to the success of front street collection. The truck's mechanical arm needs unobstructed access to "reach out" to your container. If placing container between 2 vehicles, ensure it is 1 metre from curb.

Container Placement REAR LANE

Containers need to be placed away from fences, garages, power poles and overhanging trees.

Yard Waste Collection

Yard waste collection will commence in the spring depending on weather conditions. The City will accept yard waste in clear bags until June 30, 2017. **Beginning July 1, 2017 the City is switching the program to only accepting compostable paper bags which can be purchased from local commercial retailers.** Collection will be on the same day as recycle collection. Occasionally during peak periods compost pick up may take extra days to collect. Watch for advertising and news releases on the City web page.

For Your Information:

- **Yard Wastes include leaves, branches, grass clippings**
- Paper bags are available for sale at many local retailers
- **Place the paper bags 3 feet from the recycle container, by 7:30 am for collection**
- Only paper bags and secured bundles will be picked up
- Unlimited bags (weighing no more than 25 kilograms) will be collected every two weeks
- Branches tied in bundles less than 1.0 metre in length will also be collected
- Bags containing garbage will not be picked up
