Thanks Prince Albert for keeping our City so beautiful!

Every year residents divert approximately 6,067,612 lbs. of paper, cardboard, plastic and cardboard milk cartons from the landfill to the Material Recovery Facility.

Also, 1,210,000 lbs. of yard waste are diverted to the compost facility.

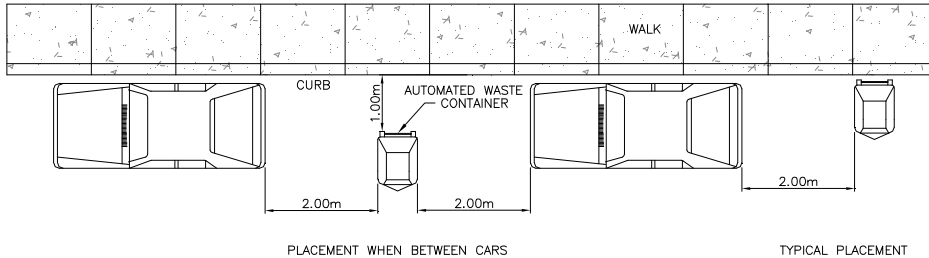

Waste Collection Information

- ⇒ Refer to the attached schedule for your collection days
- ⇒ Containers should be placed out **by 7:30 a.m.** for collection
- ⇒ Collection is made between 7:30 a.m. and 5:00 p.m. on scheduled days
- ⇒ Place containers out for pick-up **ONLY** when full
- ⇒ Return the rollout containers to your property from the lane or curb
- ⇒ By 6:00 pm the day after they are emptied
- ⇒ **Please do not dispose of yard waste in the recycle containers**

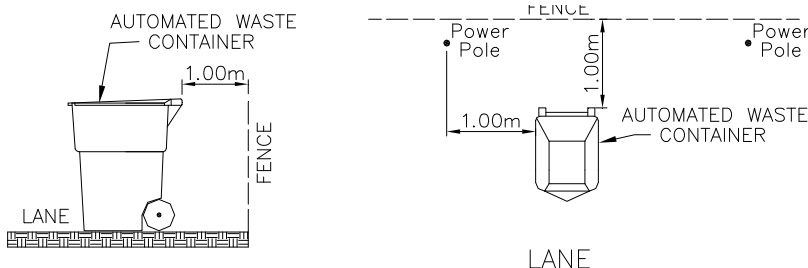

Container Placement FRONT STREET

Where and how you place your container is key to the success of front street collection. The truck's mechanical arm needs unobstructed access to "reach out" to your container. If placing container between 2 vehicles, ensure it is 1 metre from curb.

Container Placement REAR LANE

Containers need to be placed away from fences, garages, power poles and overhanging trees.
