

PUBLIC SURVEY TO INFORM THE CITY OF PRINCE ALBERT SOCIAL MASTER PLAN

We are currently working on a Social Master Plan and need your input. The purpose of a Social Master Plan is to identify:

- A vision for how the City can grow;
- What we value as a City;
- The issues residents face on a day-to-day basis; and,
- How we can work together to make this City a better place to live.

Your input in this survey will inform the Plan’s vision and values, as well as which issues are prioritized. The hope is that through creating this Plan, the quality of life will be increased for all people living in the City of Prince Albert.

This survey is just the first in a series of steps in this process. In the future, we will be holding a workshop to narrow down the values, issues, and actions identified in this survey, and how organizations throughout the City can work together collaboratively.

Thank you for taking the time to complete this survey.
