**Re: Request for Letter of Support
Convention & Cultural Event Centre – Prince Albert, Saskatchewan**

The City of Prince Albert is ready to build an energy efficient and fully accessible Convention & Cultural Event Centre in the Yard District adjacent to the nearly completed Aquatic & Arenas Recreation Centre. This significant project is a one-of-a-kind partnership with Montreal Lake Cree Nation, Lac La Ronge Indian Band and the Peter Ballantyne Cree Nation and will serve as an event and recreation hub for Central and Northern Saskatchewan.

With a strategic location serving not only the city's population of over 37,000 but also catering to a regional catchment area of approximately 210,000, the Centre promises to invigorate the local economy through diverse events and activities. With a new modernized facility capable of hosting a wide variety of major sporting events, conferences, trade shows, concerts and cultural celebrations, Prince Albert will be poised to become a prime Saskatchewan destination.

Having the support of community residents, partners and stakeholders is a critical part of the process and **provides an opportunity for the public to detail the positive impact the facility would have from their perspective**. You can help move this exciting project forward by providing a letter of support to the Federal Government.

To help you get started, we have attached a template outlining key areas that could be expanded on. It is essential to include the value this new facility would bring to our community locally and regionally and that this partnership is significant in our steps toward reconciliation. This is your chance to promote Prince Albert and all it has to offer!

1. Prepare and sign your letter of support
 - Create your own or use ideas from the attached template
2. Send your letter to the Ministry Offices by mail (no postage required) and by email
 - A list of Federal Government Ministry addresses is included on the next page
3. Share a copy of your letter with me by email at mayor@citypa.com

Please send your completed letter of support by **Tuesday, September 3, 2024**.

Thank you in advance for your support of the Convention & Cultural Event Centre.

Sincerely,

Greg Dionne
